This document has been prepared by Far East Consortium International Limited (the "Company") solely for information purposes. By accepting this document, you agree to maintain absolute confidentiality regarding the information disclosed in this document.

This document does not constitute or form part of and should not be construed as, an offer to sell or issue or the solicitation of an offer to purchase or subscribe securities (the "Securities") of the Company or any of its subsidiaries or affiliates in any jurisdiction or an inducement to enter into investment activity. In particular, this document and the information contained herein are not an offer of the Securities for sale in the United States and are not for publication or distribution to persons in the United States. The document is being given to you on the basis that you have confirmed your representation that you are not located or resident in the United States and, to the extent you purchase the Securities described herein you will be doing so pursuant to Regulation S under the United States Securities Act of 1933, as amended (the "Securities Act").

The information contained in this document has not been independently verified. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, reliability, accuracy, completeness or correctness of such information or opinions contained herein. The presentation should not be regarded by recipients as a substitute for the exercise of their own judgment. The information contained in this document should be considered in the context of the circumstances prevailing at the time and has not been, and will not be, updated to reflect material developments which may occur after the date of the presentation. None of the Company nor any of its affiliates, advisers or representatives accept any liability whatsoever (whether in contract, tort, strict liability or otherwise) for any direct, indirect, incidental, consequential, punitive or special damages howsoever arising from any use of this document or its contents or otherwise arising in connection with this document.

This document contains statements that reflect the Company's beliefs and expectations about the future. These forward-looking statements are based on a number of assumptions about the Company's operations and factors beyond the Company's control, and accordingly, actual results may differ materially from these forward-looking statements. The Company does not undertake to revise forward-looking statements to reflect future events or circumstances.

This presentation includes measures of financial performance which are not a measure of financial performance under HKFRS, such as "EBITDA" and "adjusted cash profit". These measures are presented because the Company believes they are useful measures to determine the Company's operating cash flow and historical ability to meet debt service and capital expenditure requirements. "EBITDA" and "adjusted cash profit" should not be considered as an alternative to cash flows from operating activities, a measure of liquidity or an alternative to net profit or indicators of the Company's operating performance on any other measure of performance derived in accordance with HKFRS. Because "EBITDA" and "adjusted cash profit" are not HKFRS measures, "EBITDA" and "adjusted cash profit" may not be comparable to similarly titled measures presented by other companies.

This presentation contains no information or material which may result in it being deemed (1) to be a prospectus within the meaning of Section 2(1) of the Companies Ordinance (Chapter 32 of the laws of Hong Kong), or an advertisement or extract from or abridged version of a prospectus within the meaning of Section 38b of the Companies Ordinance or an advertisement, invitation or document containing an advertisement or invitation falling within the meaning of Section 103 of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong) or (2) in Hong Kong to have effected an offer to the public without compliance with the laws of Hong Kong or being able to invoke any exemption available under the laws of Hong Kong and subject to material change.

This document does not constitute a prospectus, notice, circular, brochure or advertisement offering to sell or inviting offers to acquire, purchase or subscribe for any securities in Hong Kong or calculated to invite such offers or inducing or intended to induce subscription for or purchase of any securities in Hong Kong. This presentation is for distribution in Hong Kong only to persons who are "professional investors" as defined in Part 1 of Schedule 1 of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong) and any rules made thereunder and whose ordinary business is to buy and sell shares or debentures, whether as principal or agent.

Substantial War Chest

- Existing War chest of HK\$15.9bn (cash position and undrawn facilities) is more than enough to cover the committed capex of HK\$3.4bn
- Presale provides a clear vision of future cash inflow stream
- War chest can be further enhanced by leveraging unencumbered hotels

- Associated company sponsored by FEC
- FEC committed AUD75mn with balance supported by an international investment bank
- Synergistic to FEC's property development business
- Business generated HK\$43mn profit to FEC in 1H FY2019 despite early stage development
- Significant potential seen

Balanced and Diversified Portfolio

Business diversification allows FEC to take advantage of property cycles in different countries

3. Prospects

An aerial night-time photograph of a proposed architectural development on a waterfront peninsula. The central focus is a cluster of modern, curved skyscrapers with illuminated facades. The buildings are surrounded by landscaped grounds with trees and walkways. In the background, a dense urban skyline is visible, and the ocean stretches to the horizon under a dark sky. The foreground shows a residential area with smaller houses and a road.
